

**PL** | Wymiary mają charakter orientacyjny i mogą się różnić w zależności od wybranej konfiguracji produktu. Zawsze spełnione są wymagania normy. Przedstawiona kolorystyka nie stanowi oferty w rozumieniu prawa. Producent zastrzega sobie prawo do wprowadzania zmian konstrukcyjnych i zmian parametrów w oferowanych produktach nie zmieniając ich ogólnego charakteru.

**DE** | Die Abmessungen sind ungefähr und können je nach ausgewählter Produktkonfiguration ändern. Die Anforderungen der Norm werden immer erfüllt. Bei unterschiedlichen Konfigurationen der Produkte können die Maße leicht variieren. Der Hersteller behält sich das Recht vor, Änderungen an der Konstruktion sowie den Parametern an angebotenen Produkten vorzunehmen ohne ihren allgemeinen Charakter zu ändern.

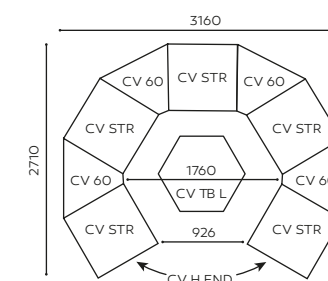

**EN** | Dimensions are approximate and may vary depending on the selected product configuration. The requirements of the standard are always met. In the configuration of equipment different from the one seat dimensions may vary slightly. The manufacturer reserves the right to introduce changes in the design and parameters of products offered without changing their overall nature.

absorption

## ACOUSTIC PARAMETERS

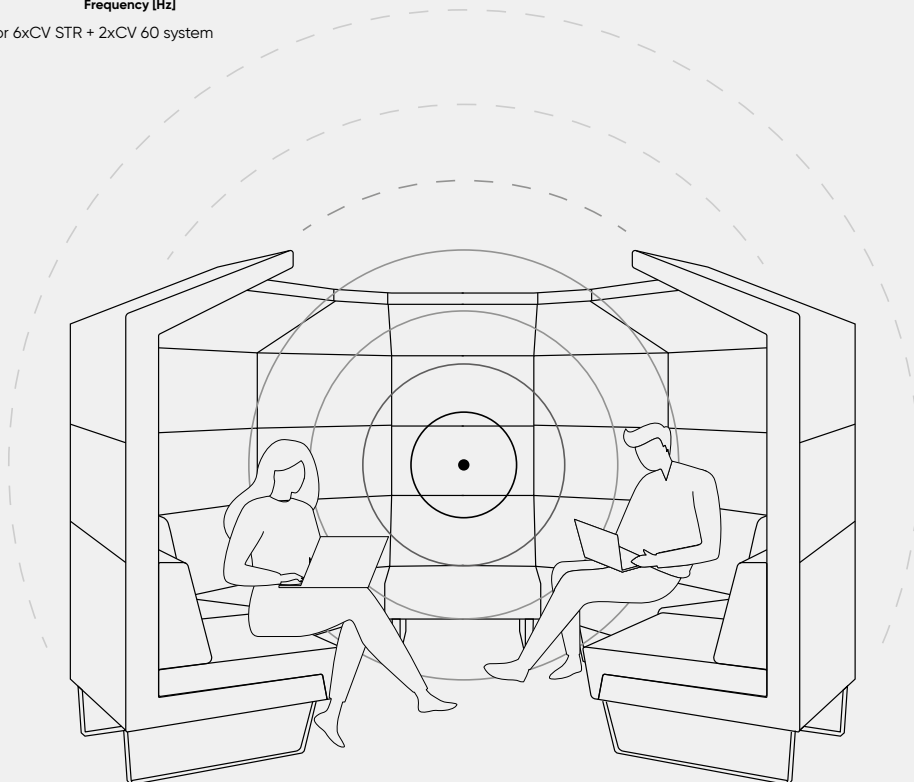

### Cave

Equivalent sound absorption area of a single object  $A_{obj}$   
acc. to PN-EN ISO 354:2005 [m<sup>2</sup>]\*.

A fabric  
B absorbent material  
C supporting structure  
D acoustic fleece

\*Value estimated for 6xCV STR + 2xCV 60 system

### Comfortable teamwork

The Cave is the perfect place for brainstorming and effective exchange of ideas. The high walls and recycled acoustic fleece will

ensure that the chatter is less likely to spread around the office, and your team will not be distracted by excessive outside noise.
