

## fora FR 421

### **Danish design in a modern way**

The inspiration behind creating this collection was Danish design, characterized by clean lines and graphic details. The minimalist frame of the base provides an intriguing contrast to the soft and spacious seats, backrests, and cushions.

Fora successfully brings a sense of warmth and coziness to open office spaces and public areas.

### **Modular Sofas**

Fora is the softest sofa in the Bejot offer. The deep seat guarantees a gently sinking effect - the sofa adapts to the body and provides maximum comfort. With the help of connectors, you can create a functional modular sofa to suit your needs.

### **Puff**

It attracts with its simple form. It is excellent as a stand-alone piece of furniture, a seat to complement a modular sofa or a comfortable chaise longue.

### **Kasper Mose**

- architect, furniture and interior designer. He graduated from the Aarhus School of Architecture. He gained experience in top Danish design offices. He seeks simplicity and a holistic approach to design.
