

wei WE 270

Manufactured from nature

Wei is a simple line with a modern form and natural finish. A perfect example of the current Scandinavian design.

The main theme of the design is nature. The wood structure of the chair is clearly visible, with the chair itself being light and very practical. High-quality materials make Wei chairs timeless and durable.

The chair design ensures that up to 5 chairs can be stacked.

A wide range of natural veneer colours, armrests, and upholstered covers with multiple arrangement options.

This collection was designed by Swedish designer **Henrik Schultz**, whose work is inspired by Scandinavian craftsmanship and material knowledge.
