

All Malow furniture is welded
 and have a strong monolithic construction.

MALOW IS THE MANUFACTURER OF METAL FURNITURE

with years of experience.

For over 30 years, we have been supplying the Polish Armed Forces as well as other NATO forces with barracks furniture.

Our wardrobe systems for the Polish Army as well as other products, including drying cabinets for protective clothing, have been recognised throughout Europe for years.

A wide range of office furniture models allows for document storage in any chosen format while meeting all the requirements of GDPR.

All Malow furniture is welded and has a strong monolithic construction.

Q-SYSTEM QUICK ACCESS FIREARM MANAGEMENT SYSTEM

Q-SYSTEM is our latest weapon and ordnance storage system that allows for quick access.

A wide range of dedicated **Q-SYSTEM** holders enables you to store any piece of equipment, from helmets and fully-equipped plate carriers to bayonets and ammunition.

WORKSHOP FURNITURE

Check out our workshop furniture solutions.

Malow offers Techno Expert and Techno Light furniture series which will satisfy the requirements of every customer.

Techno furniture series can be used in any workshop or repair shop where you need durable and reliable equipment.
