quadra QD PB R

Meeting place

The Quadra collection is a modular seat system with almost unlimited configuration options.
The modules can be used to create arrangements that will visibly improve the functionality of rooms, walkways and will create intimate meeting places or spaces for conversation.
The acoustic walls are covered with a special acoustic nonwoven fabric to improve the comfort of conversations in the office and reduce noise.
Quadra offers an effective and easy way to break the convention of traditional conference and reception systems.
