

alberi ALSC 1580

Remarkable acoustics

The Alberi panels constitute a perfect alternative to the boring acoustic panels, while preserving all the acoustic parameters that will make your office peaceful and quiet, when maintaining a natural look.

Office greenery

Do you see greenery only outside your window in your office? Thanks to the Alberi acoustic panels, this will soon change, as their shape is inspired by trees, and a broad possibility of their configuration and assembly make your nearby park come to the office, and you will feel a burst of the new energy.
