

## double DB 102

### Modern and ergonomic

A modern and dynamic swivel chair which distinguishes itself not only by its attractive appearance, but also by its refined ergonomics. The chair has adjustable lumbar support, which is essential for the spine, and several advanced swivel mechanisms to choose from. Double can be equipped with armrests adjustable in all directions and an ergonomic headrest upholstered in leather or high-quality fabric. The backrest is made of airy mesh, which guarantees thermal comfort. The comfort of sitting is enhanced by the contoured seat, the depth of which can be adjusted. This office armchair is an excellent choice for office workers and people working from home, especially designers and programmers.
