### Support creativity of your team

It is in it, where your employees find out how important they are to the organisation. It fulfils your needs and gives you a sense of security, brotherhood and equality. The Cave is the perfect place for a conversation supporting a creativity of the team and designed to ensure comfort, convenience and silence to everyone.

### Acoustics & modularity

The Cave is a place, which will provide a shelter and bring your team closer, a place where you can discuss every, even the toughest, subject. The properly selected components, shapes and fabrics ensure the good acoustics, and a variety of the modules provides a wide range of the arrangements even for the most demanding interior.

The man behind this collection is **Dymitr Malcew**, a Polish designer with international experience. In his works, he breaks down the boundaries between a workplace and a cosy home are.
