

DUKE TABLES

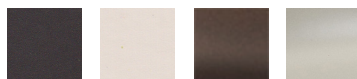

NORR11

Sleek and modern

Made of powder-coated steel, the Duke table is a multifunctional piece of furniture that comes in three different sizes. The tray top lifts easily off its base and the base can be rotated for different heights. Combining all three sizes together creates a landscape complimenting any sofa.

The backside of the table top is fitted with a non slipping foam, which ensures stability of the tabletop.

DUKE TABLE VARIATIONS

Earth Black
RAL 8019

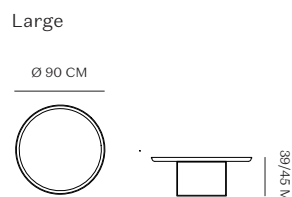

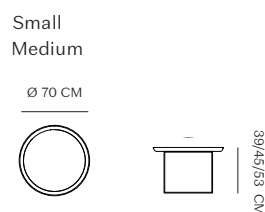

Antique White
RAL 9001

Bronze

Stone

MATERIALS

Powder coated Iron. Loose tray. Height can be adjusted on the medium and large versions by turning over the frame.
