

CCO
Hole with black powder coated cable management and cover in the same material of the top

Spacco per passaggio cavi con canalina verniciata nero e coperchio di chiusura dello stesso materiale del ripiano

CC60

EN: The base is formed of two moulded elements of fixed dimensions, made from rigid polyurethane foam and upholstered in genuine leather; they support a square table top in ultra-thin 6mm solid laminate with cable access and a rounded lacquered MDF support beneath it which conceals the steel structure. The two elements of the base are arranged symmetrically. Available in two layouts that allow different aesthetic results: they can be positioned in a way that recalls closed or open brackets

IT: Tavolo con base costituita da due elementi sagomati di dimensione fissa realizzati in poliuretano rigido e rivestiti in pelle, ripiano rettangolare in stratificato ultrasottile di 6 mm con canalina e sottopiano in MDF laccato dalla forma bombata, che nasconde la parte strutturale in acciaio. I due elementi che compongono la base vengono collocati in maniera simmetrica. Sono disponibili due configurazioni che danno vita a risultati estetici differenti: a parentesi chiusa o aperta

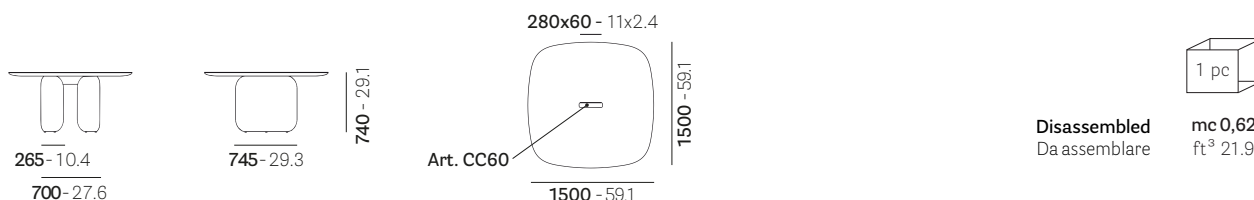

DE: Tisch mit Basis bestehend aus zwei Elementen fixer Größe aus festem Polyurethan mit Leder bezogen, rechteckiger Tischplatte aus ultradünner 6 mm Kompaktplatte mit einem Kabelkanal und Unterbau aus lackiertem MDF mit abgerundeten Formen die die Stahl-Konstruktion versteckt. Die beiden Elemente, die den Sockel bilden, sind symmetrisch angeordnet. Es sind zwei Konfigurationen erhältlich um so verschiedene ästhetische Ergebnisse zu ermöglichen: als geschlossene oder offene Klammer

FR: Table avec base composée de deux éléments de taille fixe en polyuréthane rigide et revêtus de cuir, plateau rectangulaire en stratifié ultra-fin de 6 mm avec passe-câbles et sous-plateau en MDF laqué arrondi, qui cache la partie structurelle en acier. Les deux éléments qui composent la base sont placés symétriquement. Deux configurations sont disponibles donnant vie à différents résultats esthétiques: en forme de parenthèses fermées ou ouvertes

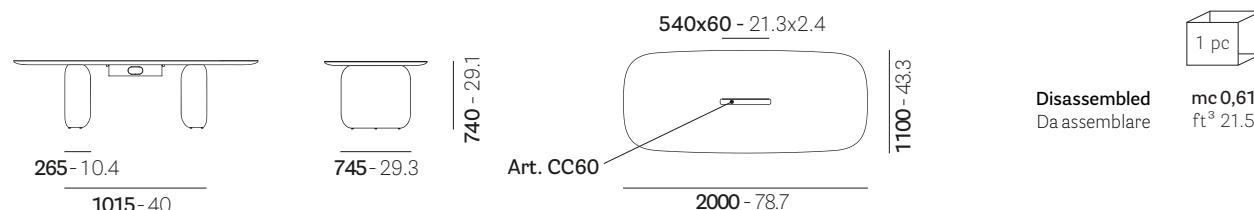

ES: Mesa con base formada por dos elementos perfilados de tamaño fijo fabricados en poliuretano rígido y revestidos en cuero, tablero rectangular en estratificado ultrafino de 6 mm con canal y bajo tablero en MDF lacado con forma redondeada, que oculta la parte estructural de acero. Los dos elementos que componen la base están colocados de forma simétrica. Hay dos configuraciones disponibles, que dan lugar a diferentes resultados estéticos: soporte cerrado o abierto
