

Meet Cashy – a new line of swivel chairs from SOHOS, designed for special tasks, that is ready to deal with any challenge and a variety of needs.

Features

- Many options of configuration allow to adjust the chair to any user, regardless of the place and type of work performed.
- The chair is made of plastic, so it is easy to clean and can be disinfected.
- Seat and backrest available in four colours: black, grey, blue and red.
- A functional handle makes it easy to move or carry.

Cashy for a variety of spaces

SOHOS
by Nowy Styl

Canteen

Workshop

A highly functional chair dedicated to a variety of spaces. Depending on the model, it can be a perfect fit for any room.

The model with a four-star swivel base is a remarkable and stylish choice for canteens and workshops.

Cashy counter – a model on five-star base with glides is the perfect solution for high tables, counters and labs.

The third model is an all-purpose chair on a five-star base on castors, suitable for a standard desk.

Cashy for different needs

SOHOS
by Nowy Styl

Armrests

Available optionally, only for models with a five-star base. The armrests are fixed and always come in black.

Product range

With the three different models, you can adjust the chair to your individual needs.

Ring base

This type of base keeps your posture correct while sitting at high table tops. A combination of ergonomics and functionality.
