

BISLEY

Helping you work better anywhere

THINK IT. CLICK IT. LOVE IT.

BOB® by Bisley is the beautifully hand-crafted magnetic, modular storage and display system that lets you click, twist and rethink your space.

Combining high-quality plywood with beautifully exposed edges, and finished in classic white, BOB is a stunning addition to your home or workplace. Perfect for storage, display and subtle space division.

The vision of award-winning designer, Paul Kelley, in collaboration with Bisley's unrivalled storage expertise, BOB is an

effortlessly changeable design that will transform the way you think about storage.

Modern-day storage should be smart and simple. Which is why BOB is secured together using a self adjusting, technology-friendly magnetic system; strong enough to click and hold everything together, soft enough to move with a simple twist.

If you can think it, BOB can help you create it.

POSSIBILITIES

Used in the office or at home, as a room divider or up against a wall, BOB lets you create impeccable configurations, completely unique to you.

Available to purchase in small, medium or large kits, with a simple click and twist action, you can transform BOB to suit your space.

The self-adjusting magnets mean not only can you change the position of each unit, you can also spin them to face front or back, allowing dual-facing access.

BOB can even grow with your ever-changing needs. Choose to add extra units, available to purchase separately, which perfectly click into place with your existing design.

PRODUCT BENEFITS

- **Reconfigurable** – effortlessly switch BOB to suit your space and click it into place with the simple magnetic system
- **Dual-facing** – with magnets in all four sides, you can twist BOB units to suit your storage and display needs
- **Flawlessly clean** – finished in classic white with beautifully exposed plywood edges, BOB is a timeless design
- **Adaptable** – create countless configurations with BOB and grow your collection with seven additional single units available
- **Versatile** – smart and simple, BOB is a beautiful addition to the home or office
- **Precision** – each unit is hand finished to Bisley's exacting standards
- **Easy** – each BOB unit arrives fully assembled ready to click into place

- Secured together with a technology-friendly magnetic system
- Available in classic white
- Hand finished with care and precision
- Push to open doors and drawers
- Available in eleven reconfigurable kits with seven single unit add ons
- No self-assembly required
- Minimum two-year guarantee
- Made in the UK

DETAIL

Each durable unit is designed to easily manoeuvre into place and secure itself with the hidden magnetic system – fastening with BOB's signature 'click' sound.

All doors and drawers are push to open with no visible handles, resulting in a beautifully clean and simple aesthetic. The sliding doors sit on runners, encased in a white plastic casing, creating a large, hidden storage capacity with easy access.

All units with adjustable shelves are finished with subtle shelf positions, leaving you free to change the shelf or divider panel position to suit your needs.
