

## **booi BO 4C2**

### **Refined in every detail**

The Booi is a perfect combination of the modernity with classics, a craftsmanship with a manufacturing and a style with a comfort. Unconventional, refined in every particular, this armchair is a product that fits even the most demanding interior.

### **Undeniable convenience**

The original, streamlined shape of the bucket was constructed with a great care to take care of not only the product design, but also the undeniable convenience and comfort of the users with different height.

### **Natural beauty**

A characteristic combination of the natural wooden veneer and an upholstered inner part of the bucket makes the Booi add warmth and style to any space. We propose two veneers to you: a delicate oak and a walnut full of character. And which veneer will you choose?
