

Chic tables

CR40

The perfect addition to the Chic, Chic Air and Chic Lounge seating collections. The tables designed by Christophe Pillet are characterized by subtle lines and minimalist form. A wide range of countertop finishes allows for many design options in cafés, restaurants or hotel lobbies.

Collection features:

- A wide range of options for the tabletop finish: ceramics, glass, wooden, metal
- several heights and types of bases offer many arrangement variants
- possibility to use transparent feet in coffee tables

Technical specifications:

product version CR40

coffee table, round, low, Ø 800 mm

frame

metal frame with cross section fi 14 mm.

Versions:

- black (powder coated)
- metallic (powder coated)
- shiny chrome (chrome)
- white (EPO1, powder coated)
- grey (EPO2, powder coated)
- graphite (EPO3, powder coated)
- gold (EPO6)

table top

glass - thickness 10 mm

Colours of glass table tops:

G1 (milky glass), G2 (black), G3 (RAL 7044/taupe), G4 (RAL 7042/grey)

- metal - thickness 6 mm

Colours of metal table tops:

EPO1 (white), EPO2 (grey), EPO3 (graphite).

- natural modified veneer - thickness 12 mm

Colours of natural modified veneers (HM):

HM10 (bleached oak), HM11 (classic oak), HM12 (cardinal oak), HM20 (venge classic)

Option of mixing any colours of table top and frame.
