

nubi NB SC 12 / 18

Timeless, original family of furniture, referring to the mid-century style. It is characterized by an organic shape and soft form with rounded edges, which gives the interiors lightness and elegance. The collection consists of very comfortable pouffes and sofas and circular acoustic walls. Its advantage is the ability to choose the type and color of upholstery and personalization of the base (powder coated metal or wooden oak legs). Additionally, dedicated tables can be mounted to the base.

Thanks to the materials used, Nubi meets the requirements of intensively used public interiors and can enhance hotel lobbies and open spaces of offices, banks and shopping malls.

The collection was designed by **Weronika Politowicz**, an industrial designer educated in Poznan and Warsaw. Her competition-winning projects are minimalistic, but not raw.
